

I wish...

What I hope has brought you peace has only brought me pain.

I wish I had one more hug from you,

One more fight with you,

One more camping trip,

A long morning talk to share a cup of brew.

A long trail ride along your side,

Anything but, to say good-bye.

I wish we could play another hand of poker, another game of Yahtzee,
one more round of rummy

I wish we could rock in mom's swing and laugh at something funny.

I wish I could watch you roll your big eyes,

And hear you take a big sigh.

I wish I could turn back the hands of time and we could be three little
girls again.

I wish we had one summer, one more Christmas, one more anything.

I love you, Trish
